

Farhaan Shaikh

2nd year CSE from DMCE |
Front-end Web developer |
Android app developer |
Tech/Dev team member under
CSI DMCE | Graphic design
team member under GDSC
DMCE

Thane, Maharashtra, India

A 2nd year student pursuing CSE from Datta Meghe college of engineering. I am a front-end web developer, and an aspiring full stack, while also exploring Android development as well.

Looking for like-minded people to connect with and grow mutually.

Besides technical; my hobbies include reading books, writing diaries and sometimes I may even bore you with some random psychological facts.

Work Experience

Member of Graphics designing team • Google Developer Student Clubs - DMCE (GDSC DMCE)

August 2023 - Present

Member of Technical team • CSI DMCE

July 2023 - Present

Education

Datta Meghe College of Engineering
